Nation's Prime Raw Material & Resources Expo

About The Fair

RAW MAT INDIA – Nations Prime Resources Expo, a fair which is one of its kind, is purely dedicated to the manufacturing industries, helping them with sources of raw material at their doorstep. This fair is 100% B2B in nature where foremost and competent manufacturers and suppliers of raw materials showcase their products and services.

“RAW MAT INDIA 2025”, the 4th edition in this series is here to facilitate raw material sourcing for the manufacturing units. Coimbatore region is a major buyer of raw materials, inputs and services. With a huge number of MSMEs catering to industries such as Automobiles, Textiles, Foundries, Electrical, Electronics, Infrastructure, IT, Agriculture, Railways, Aviation, Defence, Oil & Gas and many more, it is a hot destination for raw material manufacturers and traders to reach out to potential industrial buyers, making this event highly relevant.

The organiser

CODISSIA Intec Technology Center is a Trust formed by The Coimbatore District Small Industries Association (CODISSIA) in the year 1996 and owns the CODISSIA Trade Fair Complex. Inaugurated in the year 2000, CODISSIA Trade Fair Complex is the first Trade Fair Complex in South India and the Second in India built with the following objectives:

- 1) To promote and create infra-structural facilities for conducting Trade Fairs, Industrial Exhibitions, Buyer-Seller Meets, Seminars, Conventions, Conferences, Workshops and such other activities needed for the growth of regional economy.
- 2) To carry out scientific and technological research and development work on product, process and services.
- 3) To promote, establish and manage a Trade Center to assist the industries in identifying the sources for Export, Import and Technology Transfers and Collaborations.

CODISSIA has established two state-of-the-art Industrial Parks at Mopperipalayam & Kallapalayam villages, located 25 km from Coimbatore city in an area of 360 Acres to cater to 325 MSMEs with an investment in excess of Rs. 3000 crores. These industries will provide direct employment to over 10,000 people and indirectly generate employment opportunities to another 20,000 people.

Architect's view of the building

CODISSIA DEFENCE INNOVATION AND ATAL INCUBATION CENTRE - CDIIC has been established with a vision to develop Coimbatore region into a leading Defence Manufacturing hub within the next 10 years. Strategically located in the Defence Corridor, CDIIC aims to assist MSMEs cater to the Defence Forces for indigenisation of their requirements. Through the incubation Centre, it shall encourage and support start-up entrepreneurs. (www.cdiic.in)
